

## 9th Annual Colonialtown Neighborhood Yard Sales

Is the economy getting you down? Need some extra dough in the wallet? Simple Solution - Hold a Yard Sale!!

What's become a spring Colonialtown tradition is just around the corner. As usual, our sales will coincide with Leu Gardens' Annual Plant Sale on Saturday, March 21, 2009. Join your neighbors by holding a sale or shopping the sales.

Sales will begin at 8 am at your home or business. We'll print a yard sale locator map that you can provide to customers and also run a large classified ad in the Orlando Sentinel for advertisement. A donation of \$5 will assist in covering these expenses.

It's easy to participate! Contact Michael Hodges by e-mail at [mictim2@hotmail.com](mailto:mictim2@hotmail.com) or leave a phone message at 407.436.8573. Provide your name, phone number, street address, and closest cross street.

We will need this information no later than March 14 so we can include your sale location on our maps. Your \$5 donation check can be made out to:

Colonialtown Neighborhood Association  
PO Box 533502  
Orlando, FL 32853  
or delivered to any board member at the monthly meeting.

We've had great volunteers to assist in map preparation and distribution in the past years and once again request anyone that would like to volunteer to support this event contact Michael Hodges at the above number.

Let's all have fun (and make some cash too!) as we join together to host what's grown to be the largest event of its kind in Orlando.
